OKLA. SCHOOL LANDS WILL BE SOLD

Durant Normal Bill Secures Final Passage in the House at the Vote of Substantial Gain of 79 to 18. Now up to Senate.

Guthrie, Okla., Feb. 19.—The House of Representatives disposed of an important piece of legislation today in passing the amended Senate bill for sale of the States' school lands, the vote being 63 to 33, with 13 absentees. Six Republican members were recorded for the measure, the remainder being in the negative. Few Democrats opposed the passage of the bill. It was announced in the Senate, the body would speedily concur in the House amendments, which insures the bill will reach the executive office in a few days. If it is signed it will place on the market practically 1,750,000 acres of land located exclusively in what was formerly Oklahoma Territory, or about 60 per cent of the State's public lands. Only the common school and college lands, or those covered by Secs. 13, 16 and 36, are reserved while the indemnity lands for those sections are included in the selling list. The price is to be the appraisement recently made by the school land department, which shall apply on the improvement as well.

An amendment was made by Mr. Castell requiring the purchasers to establish permanent and valuable improvements upon it other than fencing, and an amendment by Mr. Cope was adopted making the minimum penalty for violating terms of the act three years in the penitentiary.

The only determined opposition in the House arose over the sections proposing to fix the amount of land a lessee might purchase, thereby, it was construed, establishing his preference right. The section gives lessees the right to buy 160 acres, providing all claims he may have to an excess of that amount is voluntarily relinquished, otherwise the land is not to be sold, and the lessee may only rent at a price equal to 6 per cent of the appraised value. A similar section, it is said, was held Con-

leased as much as a half county under the established customs of a republican Administration, now to buy the land in preference to the actual farmer and the home builder.

Mr. Jones, leader of the republican minority, volunteered the information that the lands had been leased under the administration of Gov. Renfro, a democrat, and that a certain democratic state official, a member of the present administration, had leased one section, 640 acres, and there was now pending, he said, a judgment against him for the rental price.

Mr. Tillotson answered that republicans had provided the law under which leases were made. The Clark amendment to eliminate the provision was lost practically by a party vote.

Mr. Durant called up his bill locating the Southeastern State Normal school in Durant and it passed finally by a vote of 79 to 18, with 12 absentees, which was a substantial gain over the engrossing vote cast yesterday. The bill will now go to the Senate.

The bill by Mr. Wilson of Greer county, establishing a branch of the state penitentiary at Granite, was advanced to third reading. The institution is to have 160 acres of land, not to cost above \$2,500, and like action was taken upon the bill by Mr. Turner, permanently locating the state school for the Deaf at Sulphur.

Upon roll call, the House passed the McElhane bill, locating the state penitentiary at McAlester and appropriating \$150,000 for building. An attempt to double this amount was defeated.

Final passage, was also obtained upon Senator Soldani's bill for a system of drains and ditches, and Senator Eggerman's bill providing for \$50 reward in arrests and convictions of horse and mule thieves. The bill by Mr. Hatchett, providing for appeals from Justices' Courts, where the sum \$5 in excess of \$20, was killed. The House also killed the Eggerman bill, to establish a home for ex-Union and ex-Confederate soldiers, over which the senate debated so long a short time ago. The bill was a special order for today, and when called, Mr. Jones, republican, presented protests from fifty G. A. R. posts of Oklahoma. There were also on file a large number of protests from Confederate veterans and several ex-Confederate members of the House also protested.

Mr. Gilmer of Carter County, who favored a home for ex-Confederate soldiers alone, made a motion to indefinitely postpone the bill, which carried with only one or two negative votes.

The House Committee reported unfavorably upon Senator Yeager's bill authorizing pensions to be paid by counties to blind persons.

The Senate committee of the whole recommended the bill by Mr. Ross of the House, and Senators Davis and Newell, continuing the Court of Criminal Appeals after reducing salaries of the judges to \$3,500 dollars per annum, and providing that they should be nominated by districts and elected from the state at large, as now applies to the state supreme court.

The Senate debated an amendment by Senator Redwine to require the Criminal Court to certify all constitutional questions to the supreme court whereas the bill gives the Criminal court exclusive appellate jurisdiction wherein construction of the criminal law was involved. The debate took about the same range it did in the House recently and resulted in the defeat of the Redwine amendment.

The senate refused to reconsider

its vote killing the bill by Mr. Durant of the House, regulating the practice of veterinary medicine, which closes that legislation for this session.

Final passage was obtained upon Senator Goulding's bill providing for chartering mutual companies for fire lightning and windstorm insurance refusing to include hail and crop insurance as among the purposes for which such companies may be formed.

A favorable committee report was made upon the bill by Senator Blair creating a reform school for boys, which institution must receive as a donation 640 acres of land within four miles of the town securing the location. According to announcement tonight, Wynnewood will probably be an applicant.

Senator Redwine's bill repealing the graduated land tax law was killed by an unfavorable committee report, and twelve appropriation bills were reported favorably by the senate appropriation committee.

State Senator Hurst, Democrat, Unseated, Accuses Fellow Democrats of "Trading" Votes With Republicans on Building State.

The above heading and the article hereunder are replicas of the head lines and article following appearing in the Friday evening issue of the Oklahoma News, an independent political publication at Oklahoma City. The Ada public may become informed through this article of the leading reason why Durant won over Ada in the normal contest in the House of the Legislature.

Senator Roddie of the senate, a member of the committee, on the Hurst, democrat—Warren, republican, contest offered a minority from the committee, recommending that Hurst be seated. This action it appears, turned the entire republican influence of both houses against Ada for state normal.

"Guthrie, Ok., Feb. 19.—That the report of the senate committee on privileges and election, unseating him in favor of his republican rival, was brought about by republicans who put through with democratic members public building deals that 'smell of heaven,' is the open charge made Friday by senator Homer S. Hurst, whose seat is contested by Frank Warren, republican, in the twenty-second district. The committee, com-

posed of eight democrats and one republican, Thursday voted 5 to 3, to seat Warren.

Hurst charges three of the democrats on the committee who voted against him with being influenced by republican overtures and he cites evidence in proof, pointing out that Taylor of Chickasha, Hatchett of Durant and Redwine of McAlester, all of whom support Warren, are the beneficiaries of the public buildings' slate put through in the house by the insurgents and republicans.

As a matter of fact, Chickasha and Durant each secured a state normal, and Redwine accomplished his object of retaining the state penitentiary at McAlester by republican support of the McElhane bill, which appropriates \$150,000 for the permanent prison.

Hurst Friday declared that he would win on the floor when the committee report is presented Monday afternoon, next. He says the alleged "trades" will be thoroughly aired.

He further asserts that two of the committee that supported him, Roddie of Ada, and Allen of Ardmore, were approached by republicans and that, as a result of their standing by him their towns lost the normals. Again, it is but reviewing the records to point that Ardmore and Ada both lost their fight for the normals, located respectively at Chickasha and Durant.

Hurst's charges have created a sensation in both houses. None of the committee has given out a statement.

When the Redwine penitentiary bill first passed the senate it contained a provision that the prison should not be located permanently at McAlester. Later the republicans, who had opposed the permanent location changed front and helped put through the McElhane appropriation bill.

TAFT IS INITIATED "KNOCKER" AT SIGHT

CINCINNATI BUSINESS MEN'S ORGANIZATION MAKES MERRY AT BANQUET.

NOT ALLOWED TO SPEAK

Cincinnati, Ohio, Feb. 19.—President-elect William H. Taft, was tonight made a Knocker "at sight." His initiation furnished entertainment for one hundred prominent business and professional men of the city at the Knocker's annual dinner.

Cincinnati's Knockers' organization is an auxiliary of its Business Men's Club. Its particular business is to knock hard and effectively everything tending to hinder the material advancement of the city and to originate and promote enterprises and undertakings for the city's welfare. It is unique in that it has no known organization and no one knows who are its members. It makes members of whom it pleases and dismisses them at will.

The annual dinners of the Knockers' Club have become famous for their entertainment features and the "stunts" which begin with the first course and continue throughout, though mirthful, are all calculated to have origin in some serious purpose of advancement. The President-elect was not allowed to make a speech, which was interpreted as a delicate compliment from his townsmen who were, in fact, saying farewell to him as a private citizen. As the guest of honor at the dinner, it was his first escape from oratory

in twenty years. The tension upon Mr. Taft was made even lighter than freedom from speaking, a skillfully made-up "double" representing him in the entertainment features, occupying a conspicuous place at a raised table with "Uncle Sam" and "Miss Columbia."

The ceremony of declaring the guest of honor a "Knocker at sight" was conducted in total darkness with rumblings of thunder and flashes of lightning and concluded with the festivities at the table. The evolution of the Taft smile was afterward depicted through moving pictures in the assembly hall of the club, through which the scenes of "notification day" were re-enacted. Vaudeville features followed until the hour was late.

Addresses Business Men.

During the day Mr. Taft made an address before the Chamber of Commerce on the floor of the Stock Exchange. He evoked the heartiest cheers and applause of the thousand business men who stood on the 'Change floor and many women who occupied the galleries, by his remarks of familiarity and friendship for his townsmen and neighbors.

The brief speech was not ended, however, without a serious reference to the material prosperity of the city.

This led Mr. Taft to a discussion of the improvement of the Ohio River, to which he gave his unqualified and hearty approval. He believed the improvement of the Ohio River to be further advanced to a certainty of accomplishment than the other waterway improvement plans.

Regarding all of these plans, he spoke most favorably, saying that they should receive his hearty support as President. But he cautioned that patience be cultivated, for the

THEATRE TALK NO. 6.

A STORY FULL OF DEEPEST DRAMATIC INTEREST, and illuminated with the best gift of the American nation, sparkling humor, is told in the new production, "MY BOY, JACK," which is now on its first tour WITH EUGENE MOORE, the noted leading man, and star of several recent seasons. "My Boy, Jack" is from the literary workshop of one of the brightest of American dramatists, Edwin Milton Royle, in whose great play, "The Squaw Man," William Faversham delights crowds throughout the country. Under the direction of Fred Conrad it will be presented with a specially chosen company supported by Mr. Moore.

GOOD IS NOT
GOOD ENOUGH

"MY BOY, JACK" IS NOT ALONE AN INTERESTING PLAY, but it possesses literary value far in excess of the average run of plays. IT HAS BEEN CALLED AN ACCIDENTAL SUCCESS, but anyone with the slightest understanding of plays will know that it is not an accident but that it is the result of remarkable natural ability directed and controlled by definite understanding of the needs of the theatre. IT IS A CREDIT TO THE AMERICAN THEATRE. YOU HAVE NEVER SEEN ANYTHING ANY BETTER IN THIS TOWN. We either please you thoroughly, or make a miserable failure. "YOUR MONEY'S WORTH OR YOUR MONEY BACK." reason that Congress, very properly, moves slowly.

At the present time, he said, a deficit of \$100,000,000 confronted those responsible for the government. The normal revival of business after the tariff had been settled, Mr. Taft believed would take care of the deficit.

Refers to Canal.

Referring to the Panama Canal, Mr. Taft declared with a great degree of positiveness that the type of canal had been determined upon and the minority which had opposed the plan might as well come in and back up the work.

"But," he added, "whether they do come in or not, it is going to be built according to the present plans."

Speaking of the good it would do to those on the isthmus, who are engaged in the work, to have the

American people backing up their efforts, Mr. Taft said:

"I know that the people of the United States intend to stand back of them and I propose, so far as in me lies, to assure them that while I am president they will have my backing to the last dollar necessary."

Charles Nagle of St. Louis, who is understood to be slated for Secretary of Commerce and Labor in the Taft cabinet, had a conference with Mr. Taft today, but neither would talk for publication of its purport. As this is the first time the two men have been together since Cabinet-making was under consideration, it has been assumed here that if Mr. Nagle is to be in the Cabinet, the matter has now been definitely settled.

Mr. Taft will leave here tomorrow afternoon for Philadelphia.

That merry, romping, musical farce, "Ma's New Husband" will appear at the Ada Opera House on Saturday night, February 20th. From all accounts it is one of the big laugh makers of the season, and the management has been obliged to promise return dates in nearly every city that it has played in order to satisfy the popular demand. The company has been receiving glowing press notices for clever, rapid fire work and for the singing and comedy merit of the individual members.

Much of the success of "Ma's New Husband" is said to be due to its plot and to the dextrous handling of a maze of side-splitting situations. The scene of all the mirth and melody is laid in the Chicago home of a rich old sport bachelor, Culpepper. His cousin, Maria Longfellow, has recently lost her husband. Culpepper has loved her in the old days and writes her to come on from New York and take charge of his home. His letter arrives in the nick of time to save Maria from visions of starvation, as she has just been eaten out of house and home and furniture by a lot of impecunious actors. One of these actors, Herbert Short by name, has captured her heart. They arrange to marry just as soon as there is money in sight to tide over the honeymoon. Maria

brings Short to Chicago and as Culpepper has never seen her little boy, Willie, a lad of fourteen, it is agreed that Short will impersonate that youthful darling. It is needless to state that Short is the center of mirth and laughter. His escape with Dorothy, the housemaid, with Mrs. Dickels, a guest, with Madame Halliday, a vocal teacher, with a venerable tutor and old humbug, Mr. Hooker, and indeed with every character in the play afford little time for sanity or straight faced demeanor. The musical numbers include all the new and popular songs together with pleasing dancing numbers.

Lawton School Bonds.

Lawton, Ok., Feb. 19.—High school bonds to the amount of \$100,000 were disposed of today by the Lawton City Board of Education to Thomas J. Bolger of Chicago. A premium of \$4,200 was paid by the bond company. The cash will be paid March 1.

Charles H. Filson, former secretary of Oklahoma territory and one of the best-known republican workers in the state, has received from Congressman Bird S. McGuire at Washington a telegram confirming the report of Mr. Filson's appointment as national bank examiner. The position was desired by other Oklahoma and Texas republicans, and a pretty hard fight has been waged in Washington during the past two weeks, the Oklahoma bunch finally winning the fight over Cecil Lyons and other prominent Texans.

A VERY BAD NIGGER

WITHIN ONE HOUR COMMITTED ENOUGH CRIMES TO WARRANT TEN YEARS PENITENTIARY SENTENCE.

Guilty of Perjury, Execution of Second Deed to Same Land, Resisting and Attempt to Shoot Officer; Gets Off With \$5.00 and Costs.

Frazier Dendie, well known mean nigger came into town this morning and began a fast career of crime by the sale of a 30-acre tract of land near Bebee to F. O. and F. R. Harris for the delivery into his hands of one horse and \$25.00 in money. When the sale had been concluded and the negro Dendie had made affidavit that he was owner of land and had not made previous sale, the ever cautious Banker Harris, continued to engage the coon, in conversation while F. B. Harris chased down to the court house, only to find that the negro had already made sale of the same land to Holdenville parties. When confronted with the charge, the negro made a break for his horse hitched in the alley in the rear of the bank. Police Judge Culver by a clever run got between the negro criminal and his horse and started to take his man prisoner. The negro, nothing daunted, undertook to draw his gun and the report of onlookers is probably true, that except for the rare presence of mind and good courage of the officer, the negro or the officer would have necessarily been killed. Even while the negro was trying to pull his gun Culver tapped him on the head, thereby securing sufficient advantage to secure the negro's gun.

This negro remained in ugly humor during the time he was under arrest.

The city court fined the prisoner the minimum fine, that of \$5.00, whereon he went free. It is understood he will call for his gun when he gets ready to ride out this afternoon.

As far as can be found out, the above is a statement of facts. If so, then the sovereign law-abiding white citizens of Ada should strive to cure a condition, that not only invites lawlessness, but worse negro desperadoism.

Citizens of Ada who have friends or relatives visiting them, or when they go elsewhere on a visit, will confer a favor on the News by calling up No. 4 and phoning the information. dtf

Mrs. A. L. Beck Received.

A large number of Ada ladies attended the reception given by Mrs. Adam L. Beck Friday afternoon from 4 to 6, which was one of the nicest social functions of the season.

The social ladies of Ada, aside from the pleasure afforded through the occurrence of their reception at Mrs. Beck's, are gratified at the thought that probably such entertainment only precedes many other social functions in which Mrs. Beck will be a welcome participant.

The guests were admitted into the reception hall by Miss Olive Kice, where they were received by the hostess. The ladies who assisted Mrs. Beck in entertaining were: Mesdames Rodarmel, Hart and Ebey.

The house was gracefully decorated in carnations, lilies and smilax.

In the dining room a delightful luncheon, consisting of lemon snow with wafers, salted almonds, mints and coffee, was served by Misses Lucile Hall and Corinne Kice. Miss Florence Furman gave the favors, pink carnations.

Everybody Likes Him.

In Edwin Milton Royle's play, "My Boy, Jack," which will be seen at the Ada Opera House, March 3rd, Eugene Moore, the Star, depicts a character that should become one of the most popular impersonations that he has appeared in during his remarkable career. "Jack Paden" is a fine independent, keen, prepossessing sort of young American that everybody likes. He turns laughter into tears, and tears into laughter. Whenever Jack is on the stage, there is something doing. His self-sacrificing loyalty to his friend, his exhilarating tilts with his crusty old father, keep the audience busy wondering what is going to happen next, but take him for all in all, Jack Paden is a gentleman.

KEPT IN HIS JEANS.

Some Money the Bank Guaranty Law Did Not Bring from Hiding.

Rather an interesting experience is related by a prominent lawyer of the city anent the effect of the bank guaranty law calling money from hiding. A farmer living a few miles in the county from Ada who is guardian for two minor children called on this lawyer yesterday to prepare and present his annual report to the county court. When the report was prepared it showed that the guardian had in his possession some three or four hundred dollars collected as rentals from his ward's lands during the year 1908. After the report had been presented and approved by Judge Terrell the lawyer and client returned to the latter's office and there in a casual way the lawyer asked the guardian in what bank he kept the money belonging to his wards. "Bank" the client replied in astonishment. "Why my dear fellow, I don't keep any money in a bank; I keep him at home in a trunk, but I have every cent of her right here on my inside pocket." Whereupon the guardian produced from the bosom of his inner garments an old black wallet from which he extracted a bunch of bills that looked like they had been run through a hay press but he had the full amount. The lawyer after some argument convinced the guardian that this was a very careless and unsafe way to keep money, particularly

ly trust funds, and he consented to open a bank account and returned home with a bank book in his pocket.

OKLA. SCHOOL LANDS WILL BE SOLD

Durant Normal Bill Secures Final Passage in the House at the Vote of Substantial Gain of 79 to 18. Now up to Senate.

GUTHRIE, Okla., Feb. 19.—The House of Representatives disposed of an important piece of legislation today in passing the amended Senate bill for sale of the States school lands, the vote being 61 to 3, with 13 absentees. Six Republican members were recorded for the measure, the remainder being in the negative. Few Democrats opposed the passage of the bill. It was announced in the Senate the body would specially concur in the House amendments, which insures the bill will reach the executive office in a few days. It is signed it will place on the market practically 170,000 acres of land located exclusively in what was formerly Oklahoma Territory, or about 60 per cent of the States public lands. Only the common school and college lands, or those covered by Secs. 13, 16 and 6, are reserved while the remainder lands for those sections are included in the selling list. The price is to be the appraised value recently made by the school land department, which shall apply on the improvement as well.

An amendment was made by Mr. Cattel requiring the purchasers to establish a tract and a viable improvement upon it, other than fence and a monument. Mr. Cattel was elected making a number of amendments in the bill. The bill was passed by a vote of 79 to 18, with 12 absentees. The bill will now go to the Senate.

The bill by Mr. Wilson of Georgia, establishing a branch of the state, on entering a circuit, would be to third reading. The institution is to have 100 acres of land not to cost above \$2,000 and like action was taken on the bill by Mr. Wilson. The bill will now go to the Senate.

Mr. Clark (Rep.) of Pioneer County led the fight against adoption of the provision during which he claimed the lessee possessed vested property rights. The bill was passed by a vote of 79 to 18, with 12 absentees. The bill will now go to the Senate.

It is much as a half county under the established customs of a republican Administration now to buy the land in preference to the actual farmer and the home builder.

Mr. Jones leader of the republican minority volunteered the information that the lands had been leased under the Administration of Gov. Reed, a democrat and that a certain democratic state official a member of the present administration had leased on section 640 acres and there was now pending he said a judgment against him for the rental price.

Mr. Tillotson answered that republicans had provided the law under which lands were made. The Clark amendment to eliminate the provision was lost practically by a party vote.

Mr. Tillotson called up his bill locating the Southeast in State Normal school in Durant and it passed finally by a vote of 79 to 18, with 12 absentees which was a substantial gain over the engrossing vote cast yesterday. The bill will now go to the Senate.

The bill by Mr. Wilson of Georgia, establishing a branch of the state, on entering a circuit, would be to third reading. The institution is to have 100 acres of land not to cost above \$2,000 and like action was taken on the bill by Mr. Wilson.

Final passage was also obtained upon Senator Soldiers bill for a system of drains and ditches and Senator Eggerman's bill providing for a reward in arrests and convictions of house and mole thieves. The bill by Mr. Hatchett providing for appeals from Justice Courts, where the sum is in excess of \$20 was killed. The House also killed the Eggerman bill to establish a home for ex-Union and ex-Confederate soldiers over which the senate debated so long a short time ago. The bill was a special order for today and when called Mr. Jones republican, presented protests from fifty G. A. R. posts of Oklahoma. There were also on file a large number of protests from Confederate veterans and several ex-Confederate members of the House also protested.

Mr. Gilman of Carter County who favored a home for ex-Confederate soldiers alone made a motion to indefinitely postpone the bill which carried with only one or two negative votes.

The House Committee reported unfavorably upon Senator Yeagers bill authorizing pensions to be paid by counties to blind persons.

The Senate committee of the whole recommended the bill by Mr. Ross of the House and Senators Davis and Newell conferring the Court of Criminal Appeals after reducing salaries of the judges to \$1500 lollars per annum and providing that they should be nominated by districts and elected from the state at large as now applies to the state supreme court.

The Senate debated an amendment by Senator Redwine to require the Criminal Court to certify all constitutional questions to the supreme court whereas the bill gives the Criminal court exclusive appellate jurisdiction wherein construction of the criminal law was involved. The debate took about the same range it did in the House recently and resulted in the defeat of the Redwine amendment. The senate refused to reconsider

its vote killing the bill by Mr. Durant of the House regulating the practice of veterinary medicine which closes that legislation for this session.

Final passage was obtained upon Senator Gouldings bill providing for chartering mutual companies for fire, lightning and windstorm insurance refusing to include hail and crop insurance as among the purposes for which such companies may be formed.

A favorable committee report was made upon the bill by Senator Blair creating a reform school for boys which institution must receive as a donation 640 acres of land within four miles of the town securing the location. According to announcement to night Wannwood will probably be in applicant.

Senator Redwine's bill repealing the graduated land tax law was killed by an unfavorable committee report and twelve appropriation bills were reported favorably by the senate appropriation committee.

State Senator Hurst, Democrat, Unseated, Accuses Fellow Democrats of "Trading" Votes With Republicans on Building State.

The above heading and the article hereunder are replicas of the headlines and article following appearing in the Friday evening issue of the Oklahoma News in Independent political publication at Oklahoma City.

The Ada public may become informed through this article of the leading reason why Durant won over Ada in the normal contest in the House of the Legislature.

Senator Roddie of the senate, a member of the committee on the Hurst democrat—Warren republican earnest offered a minority from the committee recommending that Hurst be seated. This action it appears turned the entire republican influence on both house and senate to support him.

Public Okla. City, Feb. 19.—The House of Representatives today voted to seat Senator Hurst, Democrat, Unseated, Accuses Fellow Democrats of "Trading" Votes With Republicans on Building State. TAFT IS INITIATED "KNOCKER" AT SIGHT

CINCINNATI BUSINESS MEN'S ORGANIZATION MAKES MERRY AT BANQUET.

NOT ALLOWED TO SPEAK

Cincinnati, Ohio, Feb. 19.—President-elect William H. Taft was tonight made a "Knocker" at sight. His initiation furnished entertainment for one hundred prominent business and professional men of the city at the Knocker's annual dinner.

Cincinnati's "Knockers' organization is an auxiliary of its Business Men's Club. Its particular business is to knock hard and effectively everything tending to hinder the material advancement of the city and to originate and promote enterprises and undertakings for the city's welfare. It is unique in that it has no known organization and no one knows who are its members. It makes members of whom it pleases and dismisses them at will.

The annual dinners of the Knockers' Club have become famous for their entertainment features, and the "stunts" which begin with the first course and continue throughout the evening are all calculated to have origin in some serious purpose of advancement. The President-elect was not allowed to make a speech which was interpreted as a delicate compliment from his towns men who were in fact saying farewell to him as a private citizen. As the guest of honor at the dinner it was his first escape from oratorical

in twenty years. The tension upon Mr. Taft was made even lighter than freedom from speaking a skillfully made-up double representing him in the entertainment features occupying a conspicuous place at a raised table with Uncle Sam and Miss Columbia.

The ceremony of declaring the guest of honor a "Knocker" at sight was conducted in total darkness with rumblings of thunder and flashes of lightning and concluded with the festivities at the table. The evolution of the Taft smile was afterward depicted through moving pictures in the assembly hall of the club, through which the scenes of "not-fication day" were re-enacted. Vaudeville features followed until the hour was late.

Addresses Business Men.

During the day Mr. Taft made an address before the Chamber of Commerce on the floor of the Stock Exchange. He evoked the heartiest cheers and applause of the thousand business men who stood on the "Change floor and many women who occupied the galleries by his remarks of familiarity and friendship for his townsmen and neighbors.

The brief speech was not ended, however, without a serious reference to the material prosperity of the city.

This led Mr. Taft to a discussion of the improvement of the Ohio River to which he gave his unqualified and hearty approval. He believed the improvement of the Ohio River to be further advanced to a certainty of accomplishment than the other waterway improvement plans.

Regarding all of these plans he spoke most favorably, saying that they should receive his hearty support as President. But he cautioned the audience he cautioned for the

THEATRE TALK NO. 6.

A STORY FULL OF DEEPEST DRAMATIC INTEREST, and illuminated with the best gift of the American nation, sparkling humor, is told in the new production, "MY BOY, JACK," which is now on its first tour WITH EUGENE MOORE, the noted leading man, and star of several recent seasons. "My Boy, Jack" is from the literary work shop of one of the brightest of American dramatists, Edwin Milton Royle, in whose great play "The Squaw Man," William Faversham delights crowds throughout the country. Under the direction of Fred Conrad it will be presented with a specially chosen company supported by Mr. Moore.

GOOD IS NOT GOOD ENOUGH

American dramatists, Edwin Milton Royle, in whose great play "The Squaw Man," William Faversham delights crowds throughout the country. Under the direction of Fred Conrad it will be presented with a specially chosen company supported by Mr. Moore.

"AND THIS IS LOVE"

"MY BOY, JACK" IS NOT ALONE AN INTERESTING PLAY, but it possesses literary value far in excess of the average run of plays. IT HAS BEEN CALLED AN ACCIDENTAL SUCCESS, but anyone with the slightest understanding of plays will know that it is not an accident but that it is the result of remarkable natural ability directed and controlled by definite understanding of the needs of the theatre. IT IS A CREDIT TO THE AMERICAN THEATRE. YOU HAVE NEVER SEEN ANYTHING ANY BETTER IN THIS TOWN. We either please you thoroughly, or make a miserable failure. "YOUR MONEY'S WORTH OR YOUR MONEY BACK." reason that Congress very properly moves slowly. At the present time he said a deficit of \$100,000,000 confronted those responsible for the government. The normal revival of business after the tariff had been settled, Mr. Taft believed would take care of the deficit.

Refers to Canal.

Referring to the Panama Canal Mr. Taft declared with a great degree of positiveness that the degree of canal had been determined upon and the minority which had opposed the plan might as well come in and back up the work.

"But he added, whether they do come in or not it is going to be built" according to the present plans.

Speaking of the good it would do to those on the isthmus, who are engaged in the work, to have the

American people backing up their efforts, Mr. Taft said:

"I know that the people of the United States are all to stand back of their government, so far as in me lies, to insure them that while I am president they will have my backing to the last dollar and a cent."

Charles Nash, of St. Louis, who is understood to be slated for Secretary of Commerce and Labor in the Taft cabinet, had a conference with Mr. Taft to discuss the matter. As this is the first time the two men have been together since Cabinet-making was under consideration, it has been assumed that if Mr. Nash is to be in the Cabinet the matter has now been definitely settled.

Mr. Taft will leave here tomorrow afternoon for Philadelphia.

That merry romping musical farce, "My New Husband," will appear at the Ada Opera House on Saturday night, February 20th. From all accounts it is one of the big laugh-makers of the season and the management has been obliged to promise return dates in nearly every city that it has played in order to satisfy the popular demand. The company has been receiving glowing press notices for clever, rapid fire work and for the singing and comedy merit of the individual members.

Much of the success of "My New Husband" is said to be due to its plot and to the dexterous handling of a maze of side-splitting situations. The scene of all the mirth and melody is laid in the Chicago home of a rich old sport bachelor, Culpepper. His cousin, Maria Longfellow, has recently lost her husband. Culpepper has loved her in the old days and wishes her to come on from New York and take charge of his home. His letter arrives in the nick of time to save Maria from visions of starvation, as she has just been eaten out of house and home and furnished by a lot of impecunious actors. One of these actors, Herbert Short by name, has captured her heart. They arrange to marry just as soon as there is money in sight to tide over the honeymoon. Maria

brings Short to Chicago and as Culpepper has never seen her little boy Willie, a lad of fourteen, it is agreed that Short will impersonate that youthful darling. It is needless to state that Short is the center of mirth and laughter. His escape with Dorothy the housemaid, with Mrs. Dickens a guest, with Madame Haliday, a vocal teacher, with a venerable tutor and old humbug, Mr. Hooker, and indeed with every character in the play afford little time for sanity or straight faced demeanour. The musical numbers include all the new and popular songs together with pleasing dancing numbers.

Lanton School Bonds.

Lawton, Ok., Feb. 19.—High school bonds to the amount of \$100,000 were disposed of today by the Lawton City Board of Education to Thomas J. Bolger of Chicago. A premium of \$4,200 was paid by the bond company. The cash will be paid March 1.

Judge Bolen returned from Guthrie last night where he officiated at the death struggle of the normal corpse in the house last Thursday in a madman.

A VERY BAD NIGGER

WITHIN ONE HOUR COMMITTED ENOUGH CRIMES TO WARRANT TEN YEARS PENITENTIARY SENTENCE.

Guilty of Perjury, Execution of Second Deed to Same Land, Resisting and Attempt to Shoot Officer; Gets Off With \$5.00 and Costs.

Frazier Dendie well known mean nigger came into town this morning and began a fast career of crime by the sale of a 20 acre tract of land near Bebe to F O and R Harris for the delivery into his hands of one horse and \$25.00 in money. When the sale had been concluded and the negro Dendie had made affidavit that he was owner of land and had not made previous sale the ever cautious Ban or Harris continued to engage the coon in conversation while F B Harris chased down to the court house only to find that the negro had already made sale of the same land to Holdenville parties. When confronted with the charge the negro made a break for his horse hitched in the alley in the rear of the bank. Police Judge Culver by a clever run got between the negro criminal and his horse and started to take his man prisoner. The negro nothing daunted undertook to draw his gun and the report of oilclokers was probably true that except for the rare presence of mind and good courage of the officer the negro or the officer would have necessarily been killed. Then while the negro was trying to pull his gun Culver tapped him on the head thereby securing sufficient advantage to secure the negro's gun.

This negro remained in ugly humor during the time he was under arrest. The city court fined the prisoner the minimum fine that of \$5.00 whereon he went free. It is understood he will call for his gun when he gets ready to ride out this afternoon. As far as can be found out the above is a statement of facts. If so then the sovereign law abiding white citizens of Ada should strive to cure a condition that not only invites lawlessness but worse negro desperadoism.

Citizens of Ada who have friends or relatives visiting them or when they go elsewhere on a visit will confer a favor on the News by calling up No 4 and phoning the information.

Some Money the Bank Guaranty Law Did Not Bring from Hiding

Rather in interesting experience is related by a prominent lawyer of the city, the effect of the bank guaranty law calling money from hiding. A farmer living a few miles in the country from Ada who is guardian for two minor children called on this lawyer yesterday to prepare and present his annual report to the county court. When the report was prepared it showed that the guardian had in his possession some three or four hundred dollars collected as rentals from his wards' lands during the year 1908. After the report had been presented and approved by the court, the lawyer and client returned to the law office and there in a casual way the lawyer asked the guardian in what bank he kept the money. The guardian told him that he had it in a bank in the city. The lawyer then told him that he would go with him to the bank to see that the money was there. The guardian went with him to the bank and the lawyer saw the money. The lawyer then told the guardian that he would go with him to the bank to see that the money was there. The guardian went with him to the bank and the lawyer saw the money. The lawyer then told the guardian that he would go with him to the bank to see that the money was there. The guardian went with him to the bank and the lawyer saw the money.

TAFT IS INITIATED "KNOCKER" AT SIGHT

CINCINNATI BUSINESS MEN'S ORGANIZATION MAKES MERRY AT BANQUET.

NOT ALLOWED TO SPEAK

Cincinnati, Ohio, Feb. 19.—President-elect William H. Taft was to night made a knocker at sight. His initiation furnished entertainment for one hundred prominent business and professional men of the city at the Knocker's annual dinner.

Cincinnati's knocker organization is an auxiliary of its Business Men's Club. Its particular business is to knock hard and effectively everything tending to hinder the material advancement of the city and to originate and promote enterprises and undertakings for the city's welfare. It is unique in that it has no known organization and no one knows who are its members. It makes members of whom it pleases and dismisses them at will.

The annual dinners of the Knockers Club have become famous for their entertainment features and the stunts which begin with the first course and continue throughout though merriment are all calculated to have origin in some serious purpose of advancement. The President of the club was not allowed to make a speech which was interpreted as a delicate comment from his townsmen who were in riotous laughter well to turn a private citizen. As the guest of honor at the dinner it was his first escape from oratorical

in twenty years. The tension upon Mr. Taft was made even lighter than freedom from speaking a skilfully made-up double representing him in the entertainment features occupying a conspicuous place at a raised table with Lucie Sim and Miss Columbia.

The ceremony of declining the guest of honor's knocker at sight was conducted in total darkness with rumblings of thunder and flashes of lightning and concluded with the festivities at the table. The evolution of the Taft smile was afterward depicted through moving pictures in the assembly hall of the club through which the scenes of notification day were re-enacted. Vaudeville features followed until the hour was late.

Addresses Business Men.

During the day Mr. Taft made an address before the Chamber of Commerce on the floor of the Stock Exchange. He evoked the heartiest cheers and applause of the thousand business men who stood on the Exchange floor and many women who occupied the galleries by his remarks of familiarity and friendship for his townsmen and neighbors.

The brief speech was not ended however without a serious reference to the material prosperity of the city.

This led Mr. Taft to a discussion of the improvement of the Ohio River to which he gave his unqualified and hearty approval. He believed the improvement of the Ohio River to be further advanced to a certainty of accomplishment than the other waterway improvement plans.

Regarding all of these plans he spoke most favorably saying that they should receive his hearty support as President. But he cautioned all patience be exercised for the

THEATRE TALK NO. 6.

A STORY FULL OF DEEPEST DRAMATIC INTEREST, and illuminated with the best gift of the American nation, sparkling humor, is told in the new production, "MY BOY, JACK," which is now on its first tour WITH EUGENE MOORE, the noted leading man, and star of several recent seasons. "My Boy, Jack" is from the literary workshop of one of the brightest of American dramatists, Edwin Milton Royle, in whose great play "The Squaw Man," William Faversham delights crowds throughout the country. Under the direction of Fred Conrad it will be presented with a specially chosen company supported by Mr. Moore.

GOOD IS NOT GOOD ENOUGH

American dramatists, Edwin Milton Royle, in whose great play "The Squaw Man," William Faversham delights crowds throughout the country. Under the direction of Fred Conrad it will be presented with a specially chosen company supported by Mr. Moore.

"AND THIS IS LOVE"

"MY BOY, JACK" IS NOT ALONE AN INTERESTING PLAY, but it possesses literary value far in excess of the average run of plays. IT HAS BEEN CALLED AN ACCIDENTAL SUCCESS, but anyone with the slightest understanding of plays will know that it is not an accident but that it is the result of remarkable natural ability directed and controlled by definite understanding of the needs of the theatre. IT IS A CREDIT TO THE AMERICAN THEATRE. YOU HAVE NEVER SEEN ANYTHING ANY BETTER IN THIS TOWN. We either please you thoroughly, or make a miserable failure. "YOUR MONEY'S WORTH OR YOUR MONEY BACK." reason that Congress very properly moves slowly.

At the present time he said a deficit of \$100,000,000 confronted those responsible for the government. The normal revival of business after the fact had been settled. Mr. Taft's level would ask one of the deficit.

Refers to Canal.

Referring to the Panama Canal Mr. Taft declared with a slight degree of positiveness that the type of canal had been determined upon and the minority which had opposed the plan might as well come in and back up the work.

On he added which they do come in or not it is going to be built according to the present plans.

Speaking of the good it would do to those on the isthmus who are engaged in the work to have the

American people backing up their efforts Mr. Taft said:

I know the people of the United States are a sturdy and of them and I propose so far as in me lies to assure them that while I am present they will have my aid to the limit of my ability.

Charles N. Smith of St. Louis who is understood to be a rival for the position of secretary of the Interior, said in a letter to Mr. Taft that neither would talk for publication of its purpose. As this is the first time the two have been together since Cabinet making was under consideration it has been assumed that if Mr. N. Smith is to be in the Cabinet the rift has now been definitely settled.

Mr. Taft will leave here tomorrow afternoon for Philadelphia.

That merry romping musical farce "My New Husband" will appear at the Ada Opera House on Saturday night February 20th. From all accounts it is one of the big laugh makers of the season and the management has been obliged to promise return dates in a very early city that it has played in order to satisfy the popular demand. The company has been receiving glowing press notices for clever rapid fire work and for the singing and comedy merit of the individual members.

Much of the success of "My New Husband" is said to be due to its plot and to the deft handling of a maze of perplexing situations. The scene of all the mirth and melody is laid in the Chicago home of a rich old sportsman, Culpepper. His cousin, Maria Longfellow, has recently lost her husband. Culpepper has loved her in the old days and wishes her to come on down New York and take charge of his home. His letter arrives in the nick of time to save Maria from visions of starvation as she has just been eaten out of house and home and furniture by a lot of rascally actors. One of these actors, Herbert Short by name, has captured her heart. They arrange to marry just as soon as there is money in sight to tide over the honeymoon. Maria

brings Short to Chicago and as Culpepper has never seen her little boy. While a lad of fourteen it is agreed that Short will impersonate that youthful darling. It is needless to state that Short is the center of mirth and laughter. His escape with Dorothy, the housemaid, with Mrs. Dickels a guest with Madame Halidy a vocal teacher, with a venerable tutor and old humbug Mr. Hooker and indeed with every character in the play afford little fun for sanity or straight faced demagogues. The musical numbers include all the new and popular songs together with pleasing dancing numbers.

Lawton School Bonds.

Lawton, Ok. Feb. 19.—High school bonds to the amount of \$100,000 were disposed of today by the Lawton City Board of Education to Thomas J. Bolger of Chicago. A premium of \$4,200 was paid by the bond company. The cash will be paid March 1.

A VERY BAD NIGGER

WITHIN ONE HOUR COMMITTED ENOUGH CRIMES TO WARRANT TEN YEARS PENITENTIARY SENTENCE.

Guilty of Perjury, Execution of Second Deed to Same Land, Resisting and Attempt to Shoot Officer; Gets Off With \$5.00 and Costs.

Frazier Dendie well known mean nigger came into town this morning and began a fast career of crime by the sale of a 20 acre tract of land near Hebe to F O and R Harris for the delivery into his hands of one house and \$25.00 in money. When the sale had been concluded and the negro Dendie had made affidavit that he was owner of land and had not made previous sale the ever cautious Banker Harris continued to engage the coon in conversation while F B Harris chased down to the court house only to find that the negro had already made sale of the same land to Holdenville parties. When confronted with the charge the negro made a break for his horse hitched in the alley in the rear of the bank Police Judge Culver by a clever run got between the negro criminal and his horse and started to take his man prisoner. The negro nothing daunted undertook to draw his gun and the report of onlookers is probably true that except for the rare presence of mind and good courage of the officer the negro on the office would have necessarily been killed. Even while the negro was trying to pull his gun Culver tapped him on the head thereby securing sufficient advantage to secure the negro's gun.

This negro remained in ugly humor during the time he was under arrest.

The city court fined the prisoner the minimum fine that of \$3.00 whereon he went free. It is understood he will call for his gun when he gets ready to ride out this afternoon.

As far as can be found out the above is a statement of facts. If so then the sovereign law-abiding white citizens of Ada should strive to cure a condition that not only invites lawlessness but worse negro depravationism.

Citizens of Ada who have friends or relatives visiting them or when they go elsewhere on a visit, will confer a favor on the News by calling up No 4 and phoning the information.

Mrs. A. L. Beck Received.

A large number of Ada ladies attended the reception given by Mrs Adam L Beck Friday afternoon from 4 to 6 which was one of the nicest social functions of the season.

The social ladies of Ada, aside from the pleasure afforded through the occurrence of their reception at Mrs Becks are gratified at the thought that probably such entertainment only precedes many other social functions in which Mrs Beck will be a welcome participant.

The guests were admitted into the reception hall by Miss Olive Kice, where they were received by the hostess. The ladies who assisted Mrs Beck in entertaining were Mesdames Rodarmel, Hart and Ebey.

The house was gracefully decorated in carnations lilies and smilax. In the dining room a delightful luncheon consisting of lemon snow with wafers salted almonds, mints and coffee was served by Misses Lucile Hall and Corinne Kice. Miss Florence Furman gave the favors pink carnations.

Everybody Likes Him.

In Edwin Milton Royle's play, "My Boy Jack" which will be seen at the Ada Opera House March 3rd Eugene Moore the Star depicts a character that should become one of the most popular impersonations that he has appeared in during his remarkable career. Jack Paden is a fine independent keen prepossessing sort of young American that everybody likes. He turns laughter into tears and tears into laughter. Whenever Jack is on the stage he is something to see. His self-styled fondly to his friend his exuberating with his earnest old father keep him and see busy with during what is going to happen next but take him to all in all Jack Paden is a gentleman.

Our faith in the superior remedial qualities of Rexall "93" Hair Tonic is so strong that we promise to return your money—without question or quibble—if it does not do what we claim it will.

Because it contains Resorcin, Beta Naphthol, Pilocarpin, Borax, Glycerin and Alcohol in perfect combination, Rexall "93" Hair Tonic provides the softening, cleansing, antiseptic, germicidal, stimulating and nourishing properties, so desirable and necessary for the successful treatment of scalp and hair troubles.

If used according to directions for a reasonable length of time, we are absolutely positive that it will thoroughly cleanse the scalp and hair, relieve irritation, eradicate dandruff, stimulate the hair follicles and papilla, revitalize and nourish the hair roots, stop falling hair, prevent baldness, promote hair growth and make the hair naturally soft and silky.

You must realize that we would not dare back up our claims with such a liberal offer unless we were positive that we can substantiate our statements in every particular, and the most skeptical person should at least be willing to try Rexall "93" Hair Tonic at our risk.

KEPT IN HIS JEANS.

Some Money the Bank Guaranty Law Did Not Bring from Hiding.

Rather an interesting experience is related by a prominent lawyer of the city about the effect of the bank guaranty law calling money from hiding. A farmer living a few miles in the country from Ada who is guardian for two minor children called on this lawyer yesterday to prepare and present his annual report to the county court. When the report was prepared it showed that the guardian had in his possession some three or four hundred dollars collected as rentals from his ward's lands during the year 1908. After the report had been presented and approved by Judge Terrell the lawyer and client returned to the latter's office and there in a casual way the lawyer asked the guardian in what bank he kept the money belonging to his wards. "Bank" the client replied in astonishment. "Why, my dear fellow, I don't keep any money in a bank; I keep it at home in a trunk but I have every cent of my right here on my inside pocket." Whereupon the guardian produced from the bottom of his inner garments an old black wallet from which he extricated a bunch of bills. The lawyer looked at them but he had a hazy press but he had the full amount. The lawyer after some argument convinced the guardian that this was a very careless and unsafe way to keep money, particularly

ly trust funds, and he consented to open a bank account and returned home with a bank book in his pocket.
